

MUJI Aroma Diffuser

For the enjoyment of Aroma & Lighting

Enjoy the true aroma of the essential oil with MUJI Aroma Diffuser, which spreads the aroma through the vibration generated by its ultrasonic function, flame free and safe to use with children and pets around. Designed for low-noise operation, it silently diffuses and fills your room with the aroma of your desired essential oil for up to 180 minutes long. The Aroma Diffuser can also be used as an indirect room lighting to create a relaxing ambience with its 2-level brightness adjustable LED light.

The new addition of large size Aroma Diffuser enables the mist to reach out to a wider living space, the larger tank capacity diffuses fragrance 3 times more than the original aroma diffuser.

Pictorial illustration and explanation (Large Aroma Diffuser)

In the amount of mist of 90-100ml, it can spread the moisture and flavor to the space about 3 times of regular sized Aroma Diffuser, in 1 hour.

The larger capacity tank can hold up to 350ml of water.

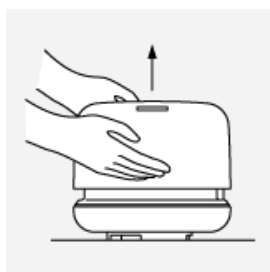

Equipped with 12 LED Lights, and has a 2 stage brightness adjustment.

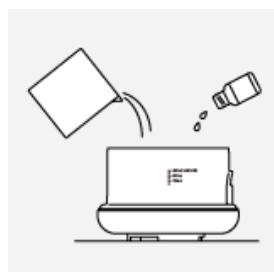

It has a timer that can be set up to four stages of 180/120/60/30 minutes.

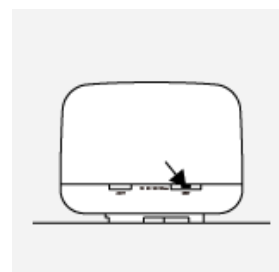

A set contains:
ultrasonic aroma diffuser,
measuring cup, AC power
adapter.

Remove the body cover
when it is not locked

Fill the tank with essential
oil and water, then place
back the cover. Guideline:
7-10 drops of essential oil
to 350ml of water

Press and hold for more
than 2 seconds on the
MIST button to start the
generation of mists.

Combine usage with the healing effect of essential oil.

Essential oils are the aromatic components found in flowers, leaves, fruit skins, tree barks and roots of plants. Scent, is proven to influence one's mood and generate an overall sense of wellbeing, reinvigorating these sense can naturally restore balance to a busy and hectic lifestyle. The "natural aroma" of the plants has power to heal or refresh our mind and body

Muji essential oil is labeled with 3 different color seals that are pasted on top of their bottle caps to indicate the suggested compatibility of each essential oil for blending. There are many ways to use the Aroma Diffuser in your everyday life; for relaxation during reading, as an ambient decoration, or even to stimulate the sense during work or study.
