

Make-up

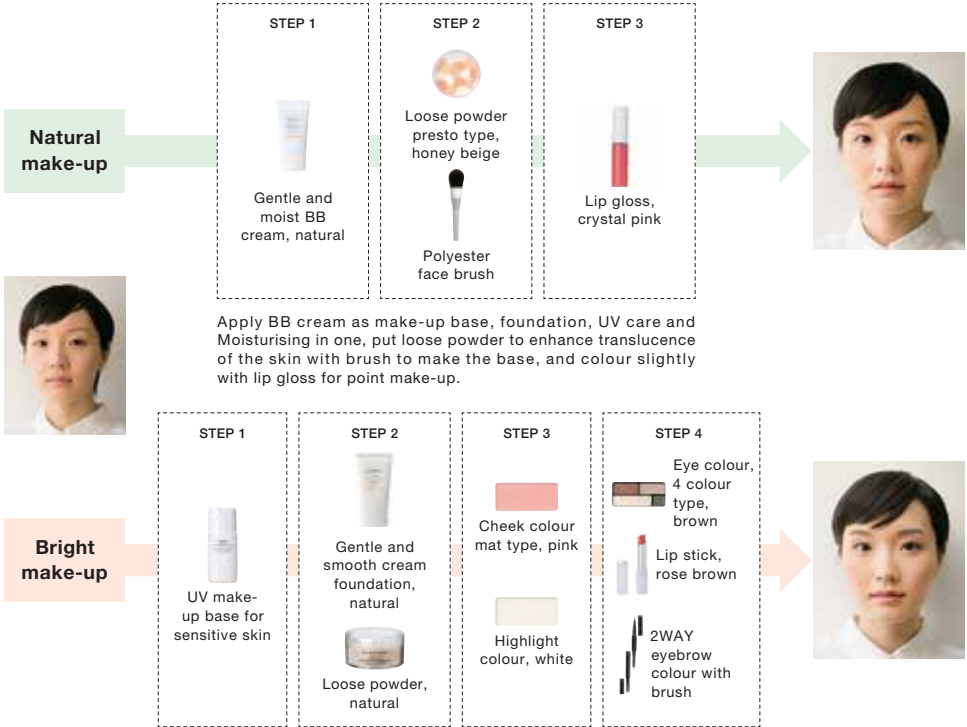

Natural, Minimalist Beauty

Caring for the skin with botanical Moisturising ingredients. The combination of MUJI make-up products are easy to use with its wide range of selections.

Make-up products of MUJI contain plant extracts with natural Moisturising ingredients such as Olive Squalane, Chamomile extract and Peach leaves extract, recommended for daily use. Besides this, they are unscented and mineral oil-free for reduced irritation on the skin. Various line-ups are available; from base make-up items covering the troubled areas, to point make-up series that are selectable to achieve your ideal image.

Steps to create two different looks

A wide range of MUJI make-up items are available to create different looks to suit the occasions; from natural make-up with quick finishing of coverage on concerned areas, to bright make-up using loose powder or eye color.

Make-up Base • BB cream

Necessary make-up items for a lasting and smoother finish. Apply after basic skincare routine.

UV Make-up Base

15255719	Ocher	S\$11.30
15255702	Clear	S\$11.30

Protect skin from ultra-violet rays. Prevent dark spots and freckles caused by sun exposure.

SPF15 • PA+ 30ml

● Ocher ○ Clear

Base Control Colours

61397672	Yellow	S\$15.90
61397610	Pink	S\$15.90
61397689	Blue	S\$15.90

Use as a make-up base. It protects skin from ultra-violet rays.

Yellow - Prevents dryness and hydrates skin for greater foundation coverage.

Pink - Covers pale skin or bluish dark circles around the eyes.

Blue - Covers dullness of the skin or brownish dark circles around the eyes.

SPF22 • PA++ 30g

● Yellow ● Pink ● Blue

UV Make-up Base

61397580	25ml	S\$17.90
----------	------	----------

Even out an uneven skin tone or hide large pores around the T-zone. It controls oils, achieving long lasting effect.

SPF28 • PA++

UV Make-up Base • High moisture

61397573	30g	S\$17.90
----------	-----	----------

Protect skin from ultra-violet rays. Prevent dark spots and freckles caused by sun exposure.

SPF20 • PA++

UV Make-up Base • Sensitive Skin

61397566	30g	S\$17.90
----------	-----	----------

Gentle enough for delicate skins. It helps to set the foundation better, leaving the skin moist.

SPF19 • PA++

Moisture BB Cream

15255696	Natural	S\$19.00
15255689	Light Natural	S\$19.00

All-in-one cream. It works as a make-up base, foundation, UV protection and moisture retention.

SPF40 • PA+++ 30g

● Natural ● Light Natural

Foundation

Available in liquid type and pressed type. Choose one according to the finishes you desire.

2.0g

● Natural ● Light

Concealer

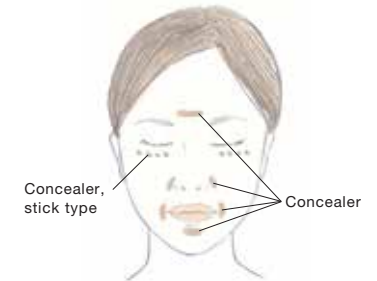

61771250	Natural	S\$13.00
61771236	Light	S\$13.00

Liquid concealer for light and natural finish. It is easily spreadable.

6.6g

● Natural ● Light

Types of Concealer and its usage

Stick type for blotches or freckles to be covered well, and chip type for darkening or colour unevenness of eyes or mouth.

Apply a proper amount smoothly with fingers or sponge.

Apply after foundation when liquid or cream foundation are used. Apply before foundation when powder foundation is used.

Eye Make-up

MUJI highlight eye color blends well to the skin and creates shine, while gradation multicolor palettes add a dimension around the eyes by simply applying them on the eyelids.

Eye Colour - 4 colour palettes

61413808	Brown • 2.2g	S\$11.90
61413761	Brown x Gold • 2.2g	S\$11.90
61413785	Brown x Pink • 2.2g	S\$11.90
61413792	Plum • 2.2g	S\$11.90
76331216	Lavender x Pink • 2.2g	S\$11.90

Use either colour from the above 2 colors in the palette to create your desired look.

Brown Brown x Gold Brown x Pink

Plum Lavender x Pink

Eye Colour Base

61406107	1.8g	\$8.90
----------	------	--------

Eye Colour Base prevents drying around the eyelids, conceals dull yellowish skin tone, brightens and keep the eye colours long lasting.

Eye Base Colour

15006199	Gold • 1.8g	S\$8.90
15006205	Pink x Gold • 1.8g	S\$8.90
15006182	White • 1.8g	S\$8.90

Highlight Eye Base Colour blends well to the skin. A set of Matte and Pearl types.

Recommendation on how to use 4-color type of eye color.

1. Shade off A at underbrow.
2. Apply B on the eyelid.
3. Apply C using small strokes over the back corner of the eyelid.
4. Use D to draw close to the lash line.

Cheek

A wide range of MUJI Cheek Colors, available in different colors and different textures. Choose different types depending on your desired look, for example, you want to create shiny skin or, add a dimensional depth to your face.

Cheek Colour - Marble Type

61405766	Orange • 3.6g	S\$13.60
61405773	Rose • 3.6g	S\$13.60
61405780	Rose x Beige • 3.6g	S\$13.60

Three pearly colors are combined in marble-like, adding dimension to the face.

Cheek Colour - Crystal Type

61397788	Orange • 3.5g	S\$9.60
61414379	Pink • 3.5g	S\$9.60
61397795	Rose • 3.5g	S\$9.60

Pearly particles give a dimensional depth to the skin, achieving a bright look.

Cheek Colour - Matte Type

61414386	Peach • 3.5g	S\$9.60
61397764	Rose • 3.5g	S\$9.60
