By changing the twisting method of the threads, T-shirts with individuality texture were born. You will find one that fits your body shape and skin.

Slub Yarn

The slub fabric gives a dry and airy texture.

Indian Cotton Jersey Stitch

The collar is strengthened to prevent deforming even after repeated washing.

Double knit

Thick and hard to see through. It features a well-knitted fabric using thick yarn.

Anti-Sweat

Organic cotton short sleeve t-shirt made with anti-sweat technology.
