MUJI Hard Carry Case

TSA-Approved Lock

Higher Storage Capacity

360 degree Spinner Wheels

A suitcase featuring a wheel stopper function and a handle that can be easily adjusted. The material has been reviewed, and the weight has been lightened from previous models, allowing you to carry more.

Adopted environmentally friendly new materials

The main body maintains the lightweight and durable characteristics of the conventional product, being made from polycarbonate material. Additionally, the inner surface now incorporates recycled polycarbonate from water bottles, reducing CO2 emissions during manufacturing.
