Important Information (Safety Advice)

These instructions must be followed.

This User Guide contains important information for safe use of this product in order to prevent harm to the user and others as well as damage to property. Please note the following contents (indications and graphic symbols) before reading the main contents of this User Guide, and follow the instructions given. This product is stuffed with micro beads (styrene foam). Since a solid frame is not used, the shape changes depending on how you use. Understand the characteristics and descriptions of the product carefully to ensure correct use.

• **Explanations of Indications**

The degrees of injury and damage that may arise when the product is used incorrectly are classified and explained with the following symbols.

WARNING

Indicates a hazard with a level of risk which, if not avoided, could result in death or serious injury*1 to the user.

CAUTION

Indicates a hazard with a level of risk which, if not avoided, could result in injury*2 to the user or property damage*3.

• **Explanations of Graphic Symbols**
Instructions are given in the form of the following graphic symbols. (Examples of graphic symbols are as follows.)

DON'Ts: Actions that are prohibited.

DOs: Actions that must be taken.

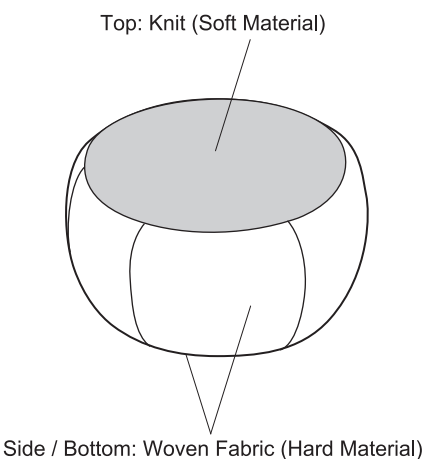

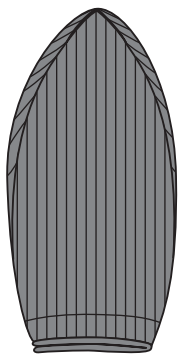

*1 "Serious injury" indicates blindness, injuries, burns, bone fractures, poisoning, or electric shocks which have long term effects and require hospitalisation and/or long-term hospital visits for treatment.
*2 "Injury" indicates injuries or burns which do not require hospitalisation or long-term hospital visits for treatment.
*3 "Property damage" indicates extended damage that involves the house or household property.

! WARNING	
DON'Ts	<ul style="list-style-type: none">Do not leave unnecessary packing materials within reach of small children and discard them as soon as possible. Small children may accidentally pull them over the head and cover the mouth or nose, causing suffocation.Do not rip the product. Do not allow children to play with the product. Failure to do so may cause accidental ingestion or aspiration of the micro beads inside, resulting in suffocation.<ul style="list-style-type: none">Rinse immediately with running water if the beads enter the eyes or nose.Consult a physician immediately if inhaled the beads.Stop use immediately if the beads leak from the product due to damage to the outer shell etc.Do not lay small children down on the product because it is soft. Doing so may cause them to suffocate or fall off.Do not stand on or allow children to play on the product. Do not jump but gently sit on the product. Doing so may result in unexpected injury from falling off or damage to the product from excessive load or impact.Do not allow the elderly or people with physical disabilities to use. They may fall off when standing up from the sofa, resulting in unexpected injury.Keep cigarettes away from the product. Failure to do so may cause the fabric to catch fire.Do not place near a heating appliance such as a heater. If it is placed too close to the heat source, the fabric may catch fire or the beads may become soft and deformed.Do not disassemble or modify the product. Failure to do so may cause accidental ingestion or aspiration of the micro beads inside, resulting in suffocation.Do not allow two or more people to use at the same time. Doing so may result in injury from falling off or damaging to the product.
	<ul style="list-style-type: none">Dispose of the product and the beads inside if the beads come out due to the main unit getting damaged or frayed. Failure to do so may cause accidental ingestion or aspiration of the micro beads inside, resulting in suffocation.

! CAUTION	
DON'Ts	<ul style="list-style-type: none">Do not place fragile items or valuables on the product. Doing so may cause them to fall off and be damaged.Do not place sharp items nearby or on the product. Do not also sit on with a pointed object, such as a pen, in the pocket. Doing so may damage the cover and spread the beads around, resulting in aspiration.<ul style="list-style-type: none">Rinse immediately with running water if the beads enter the eyes or nose.Consult a physician immediately if inhaled the beads.Stop use immediately if the beads leak from the product due to damage to the outer shell etc.Do not leave in the same place for a long period of time when storing. Mould or house mites may occur between the main unit and the floor or the wall.Do not wash the main unit. Doing so may cause the damage of the main unit or the damage or breakdown of the washing machine.
	<div>Dos</div> <ul style="list-style-type: none">When the product is used on an electric carpet or floor heating, be sure to reduce the temperature setting to "low." Failure to do so may trap heat inside the product, resulting in a temperature increase.Friction may cause colour transfer from dark-coloured cover. In this case, wash it promptly.

Note (Other Cautions)	
<ul style="list-style-type: none">Be careful so that the pet does not claw the product or soil with its feces.Do not place it in direct sunlight or use outdoors. Doing so may cause deterioration or discolouration of the fabric.To dispose of this product, follow the rules implemented by your local government.

Directions for Use

Note
(Other Cautions)

- Make sure to attach the cover before use. Failure to do so may cause damage to the main unit, resulting in significant wearing.
- Be sure to sit on the product with the knit part (soft material) of the main unit facing up.

- <How to Prevent the Product from Deteriorating Early>**
- The elasticity of the fabric decreases through use, making the beads inside become inelastic. The durability varies depending on the user's weight, frequency of use, and how it is used. However, performing the correct maintenance as stated below may extend the service life of the product.
- 1. Do not expose it to direct sunlight.**
Do not leave by a window, where it is exposed to direct sunlight, for a long period of time.
 - 2. Leave it in an airy place in the shade for about half a day once a week.**

<How to Move>

Move the product by lifting with both hands to prevent it from frictioning against the floor as much as possible.

Note
(Other Cautions)

When moving the product, do not drag it or pinch the end by one hand. Doing so may damage the fabric.

Care Instructions

- <Main Unit>**
- When the product is stained with sweat or water, do not leave it as it is but wipe off the stain with a damp towel. Also, dry thoroughly in a well ventilated, shaded place.
- * The main unit cannot be washed.
- <Washing the Cover>**
- Wash promptly in the case stained with sweat, skin oil, or cosmetics, such as hand cream.
 - The washing method varies depending on the fabric. Wash according to the instructions written on the cover tag.
- <Storing>**
- Do not leave stains untreated. After washing, store it in a place out of direct sunlight. Also do not store it in a wet area or a place with poor ventilation.
 - Read this user guide and check the product condition before using again.

 CAUTION

⊘ Do not leave the product in the same place for a long period of time when storing it. Mould or house mites may occur between the main unit and the floor or the wall.
