# 365 JOYFUL DAYS

Gifting really doesn't have to be limited to the festive season – we can think of plenty of reasons to give someone something nice, all 365 days of the year.

MUJI believes in that as well, hence this gifting catalogue is all about “365 Joyful Days”: a selection of gift sets from more than a hundred available in-store, so that you can have the joy of giving, long after the Christmas lights come down. Whether it's touch panel gloves for someone heading for a winter holiday; baking tools for the friend who loves to spend time in the kitchen; or a set of skincare essentials that will work even for the most sensitive skin, there's really something for everyone, and every occasion.

We're also saving you the hassle of last-minute frantic Christmas shopping with this catalogue, so you can pick the right, practical gift for everyone on your shopping list at a glance. Then, get them all nicely wrapped up and decorated with special stamp designs at the store – your gift will definitely stand out under the Christmas tree.
