Muji Welcomes 2015 with "Better Prices"

Muji has always believed in delivering to our customers with not just basic things in life, but with products that are made from quality materials without the unnecessary frills, hence providing a balance between good quality and good price.

With our continuing growing presence and stable stock volume, Muji has taken a step back to review a permanent reduced price on more than 300 products from household category. Customers can get to enjoy great savings with good quality simultaneously.

Muji believes in delivering good quality and honest prices in the market, a virtue that has been incorporated in us for many years and, for more years to come. It is also our way of rewarding customers for their continuous support and faith in Muji products. Let us usher into the New Year with better prices and abundant savings, only at Muji!
