

**FOR IMMEDIATE RELEASE****Muji High Back Reclining Sofa**

**SINGAPORE, 23 July 2013:** Muji High Back Reclining Sofa will allow you to lie back and relax with support and adjustable reclining properties.

Create a relaxing space.

The high back design offers greater support up to your head and allows you to lie back as the cushion gently supports your body till your neck position. Cushions are made of soft and fluffy feathers with urethane chips for the enhanced cushion resilience. The cover is also detachable from the cushion body for cleaning and changing of covers.

Reclining function on the back rest and head rest allows you to adjust your sofa to your desired angle. The lever will allow you to adjust to 6 different level positions for a comfortable laid back time after a long day out.

\*Also available in 2-Seater type, Grey Beige and Brown colour. From \$599.00 to \$1099.00. Foot-Stool is sold separately at \$199.00
