

Fixing Market

5 April - 9 June 2019

Opening Hours | 10:00 – 22:00

Venue | Open MUJI, MUJI Plaza Singapura (Free Entry)

Think about that pair of jeans you have once discarded for its torn fabric, or that stool, thrown out for unstable legs.

Bearing the concept of sustainability and not being wasteful, we have created 'Fixing Market' as an avenue to bring broken items that have served you well, a new lease of life.

Drop by OPEN MUJI in the store as we provide common ground for exchange of skills, ideas and care for your living. So that the emphasis to live conscientious of the environment is made in connecting local craftsmen and people from all walks of life

Textile

WithAutumn

Autumn is a mindful textile artist and founder of With Autumn. She hopes to provide mending services to anyone who cares about the environmental and human impact of the fashion industry and anyone who wants to make the clothing they love last longer.

Shoes

Shoe Clinic

Passionate in their work, look for Shoe Clinic to have your well-loved shoes repaired. Services provided include restoration, customization, cleaning, soles or heels replacement, and maintenance.

Leather

Senkoubou

Senkoubou is a multi-medium design and make studio founded by Shiyong - a craftsman who was trained in Kyoto, Japan, under the wing of master craftsman, Yamochi Masumi. Consult Senkoubou with your personal leather accessories!

Music Instruments

Music Elements

Are you facing difficulty playing your musical instruments due to air leak or sticky valve?

Whether you need a minor repair work done for your instrument or a complete overhaul service for a second hand instrument that you just bought, you can leave it in the safe hands of Music Elements' repair technicians.

Woodworks/Knife

Tombalek

Tombalek is an open workshop where people come together to create furniture and other works of art. At Open MUJI, they will be sharing their craft through the repair of old furniture, utensils and consultation on DIY projects.

Ceramics

Mud Rock Ceramics

Mud Rock is a ceramic studio based in Singapore founded by ceramics artists, Ng Seok Har and Michelle Lim, who have been practicing ceramics professionally for over 10 years. For all things mud and clay related, you can definitely seek advice from the duo who had bond over the love of beautiful ceramics that serve them daily. From multiple bowls to a single sculpture, Mud Rock Ceramics find a never ending joy in making, exploring and serving with clay.

Soft Toys

Soft Toy Hospital

Consult with the team for all your soft toy woes; be it soft toy restoration, repair or cleaning services!

The team is dedicated to create environmentally safe and hygienic soft toys for everyone to enjoy, and to nurse one's beloved soft toy back to health!

Books

SPD

SPD is a local charity set up to help people with disabilities of all ages to maximise their potential and integrate them into mainstream society. As part of SPD Sheltered Workshop, the bookbinding provides a platform for the craftspeople with disabilities to hone specialised skills and artistry in book making and restoration. Each craftsman & woman brings their own unique skillset to the team, enabling them to form a pipeline for the bookbinding process.

Plants

My Planthealth Clinic

Need advice on your plant health? Meet Jimmy who has more than a decade of experience in handling Plant Insect & Disease Management, Plant Nutrients, Soil Analysis and Tree Risk Analysis consultations.

So, bring along your unhealthy / sick plant (can be parts of the diseased/abnormal plant such as its roots, stem/trunk, leaves, soil etc..) for 1 to 1 on-the-spot diagnosis and recommendation.

- If you have any questions regarding repairs, please consult directly with each craftsman during the event.
- Cost differs depending on the contents of repair. Please check with craftsman during the event to find out more. Please refrain from inquiries to the store.
- Please refer schedule for detailed timeline and contents.
